Welcome to homepage for the Proceedings of the 6th International Congress on Underwater Archaeology. To submit your paper please register and then follow the online submission instructions, adhering to the submission guidelines provided via email.

Please note: this website is powered by Open Journal Systems as it is more efficient for multi-author submissions than the equivalent monograph software. As such, in many places around the site, the Proceedings volume is referenced as a journal when it will in fact be a monograph in print and e-format.
